### **BALLET CLASSES:**

Pre School, Pre Primary, Primary, Grades 1 - 8, Vocational – Intermediate Foundation, Intermediate, Advanced Foundation, Advanced One, . Open Ballet and Adult Ballet.

**PRE SCHOOL:** dance classes aim to develop children's co-ordination and musicality. The classes involve movement to music with songs, nursery rhymes and mime - use of props and instruments. These classes are for children aged from 3-5 years of age - a fun introduction to the world of dancing.

**PRE PRIMARY** ballet classes are the progression from Pre School Dance for children aged 5. This is an introduction to ballet, still involving mime and musical interpretation, as well as the basics of ballet movement.

All classes are trained in the Royal Academy of Dancing syllabi. Pre Primary, Primary and Grade 1 attend one class per week and from Grade 2 upwards, twice a week, to ensure a high standard is achieved.

**VOCATIONAL** classes involve pointe work and the examinations are designed for students wishing to pursue a career in dance..

R.A.D. grade and vocational examinations are held at the Howick Dance Studio every year. Students need not be entered for examinations and will be progressed normally through the grades, however, the studio does encourage the children to enter for the examinations.

An Adult Ballet class is available for anyone wishing to exercise in a balletic way – no experience necessary, uniform optional.

CONTEMPORARY OPEN CLASS is now available Mondays 7.00 – 8.15

The second production in 1993 was “The Snow Queen” with 200 children participating, “Cinderella” was next in 1995, “Coppelia” in 1997, “Sleeping Princess” in 1999, “Nutcracker” in 2001, “Alice in Wonderland” in 2003,
